Dear Mr. Moore,

The residents of Emerald Oaks subdivision, which consists of the residences situated on Auburn Mill Rd, Robert Hunt Ct, Swain Dr, Leland Dr, and Kelly Rd, are formally requesting a three-way stop sign to be installed at the intersection of Auburn Mill Rd and Wemberly Dr. We believe that Leland Dr, which connects Auburn Mill Rd and Kelly Rd, should serve only the surrounding subdivisions and not serve as a bypass to Rte 29. The speed at which vehicles have been traveling on this road has been alarming. We have nearly 40 children under the age of 16 who enjoy riding their bikes and playing in the neighborhood. Many of us walk our dogs, bike, and jog on Auburn Mill Rd and can attest to the dangerous speeds being reached on this road. We believe that it is critical that this stop sign be installed to help maintain the posted speed limit of 25. Furthermore, we also feel that there are several other things that can be done to protect us and our children. In order to help drivers identify our subdivision as a family neighborhood, beginning at Wemberly Dr, the double yellow line should be removed, signs showing children at play and \$200 speeding fine signs added. We are not asking for these things lightly. As you may or may not be aware of, we have already had one child along Auburn Mill Rd struck by a car. The consenting signatures of all the residents in Emerald Oaks is a testament to the speeding problem. If you would like to discuss this or if we can be of any further assistance in this matter, please don't hesitate to call. We have asked Brenda McNeal (347-7279) to be your point of contact. Thank you for your anticipated cooperation in this matter.

Sincerely,

Andrew Ward

PETITION FOR A THREE-WAY STOP SIGN

This petition will serve as a formal request by the residents of the "Emerald Oaks" subdivision to have a three-way stop sign installed at the intersection of Auburn Mill Road and Wemberly Drive in order to slow down the traffic that travels Auburn Mill Road. As you are well aware from the many telephone complaints and discussions with Larry Weeks (Scott District Supervisor) and Gary Healy (Commander of Control), the Emerald Oaks residents have been suffering from a serious speeding problem in the 7100 block of Auburn Mill Road. It is apparent to the residents that there is no regard for the 25 mph speed limit and that the drivers are very aggressive when asked to slow down. The speeding problem is not just a few vehicles breaking the rules, it is many different types of drivers including builders, trash trucks, delivery drivers and people using our road as a cut through to 605. Emerald Oaks has many young children that ride their bikes and cross the streets to play with friends. We are concerned for their safety!

We believe that putting a three-way stop sign at that intersection will at least cause the drivers to have to stop before picking up speed to the turn onto Leland. This will greatly reduce their ability to go over 25mph until making the turn.

Please consider this our formal request. You may contact Brenda McNeal, resident of Emerald Oaks, as a main point of contact for the residents of this subdivision. Your consideration in this matter is appreciated.
